Dear Friends at MVIH,

The staff and students of The Westview School greatly appreciate your very generous support of our annual fundraising event. Close to 300 people attended "*Feel the Beat*" at The House of Blues on Sunday, May 20, 2007. **Your donation of a "Chiropractic exam, consultation and ½ hr. massage", valued at \$200** surely helped to make our event a success!

As you know, our school provides a highly enriched and academically oriented education for adolescents who have learning and/or emotional problems. Enrollment in our school and participation in our unique program has helped turn around the lives of many bright, capable students who need a smaller, individualized classroom in order to learn. The generosity of friends like you enables us to continually seek new and better ways to challenge and support our students in order to facilitate the very best educational experience possible. Our students appreciate your contribution.

Thank you for your generosity. Your contribution was gratefully acknowledged in our program and online. *This letter serves as your receipt for tax purposes and verifies that no goods or services were provided in return for your donation.*

Cordially,

Judy Gordon
Executive Director
